JOIN DR. WINTERS & 44 OTHER US STATES BY SUPPORTING HB 5196 TODAY!

[CLICK HERE TO READ MORE](#)

Dr. Kristin Winters of PodiatryCare, P.C., and the Heel Pain Center has been advocating for HB 5196, an important bill that would allow podiatrists to perform both total ankle replacement surgeries and amputation procedures in the state of Connecticut. As President of the CPMA, Dr. Winters has argued that the current restrictions both deny access for patients in need and cause trained residents to migrate from CT to states that allow them to implement the full scope of their talents.

Step Into National Foot Health Awareness Month!

As winter recedes into our collective rearview and the seasons start to shift, National Foot Health Awareness Month begins in earnest! April marks the perfect time to shed those winter boots, get out into the open air, and show your feet some love.

Recipe of the Month
Strawberry Spinach Salad with Avocado & Walnuts

Serve this summery strawberry spinach salad alongside soup or a half sandwich. Top with grilled chicken or roasted salmon for a complete and easy, healthy meal.

Ingredients:

- 3 cups of baby spinach
- 1 tablespoon finely chopped red onion
- 1/2 cup of sliced strawberries
- 2 tablespoons vinaigrette, such as Annie's Light Raspberry Vinaigrette
- 1/4 medium avocado, diced
- 2 tablespoons of toasted walnut pieces

Instructions:

1. Combine spinach, onion, and strawberries in a medium bowl.
2. Drizzle with vinaigrette; toss to coat.
3. Top with avocado and walnuts.

Trivia

What animal is most associated with the month of April?

- A. Cat
- B. Rabbit
- C. Mouse
- D. Chinchilla

Answer: B

The rabbit is often associated with the month of April. It symbolizes fertility and abundance, especially during springtime when nature is full of new life.

Joke

Why won't eggs play April Fool's pranks?

Answer: They might crack each other up.

Historical Facts for April

- On the night of April 14, 1912, four days into its journey from Southampton, England, to New York City, the Titanic collided with an iceberg off the coast of Newfoundland. In the early hours of April 15, 1912, the 882.5-foot-long ship broke apart and sank to the bottom of the ocean, taking with it the lives of more than 1,500 passengers and crew.
- For all the car enthusiasts out there, Ford unveiled its first Mustang on April 17, 1964, which cost \$2,368.
- The first battle of the Revolutionary War, Lexington and Concord, broke out on April 19, 1775
- The forced explosion of the Chernobyl nuclear plant in Ukraine occurred on April 26, 1986, which forced everyone within a 300-mile radius to be evacuated.
- Our first President, George Washington, was inaugurated on April 30, 1789, on the balcony of Federal Hall in New York City, New York. The inauguration was held nearly two months after the beginning of his four-year term as president.
