PodiatryCare's Employee Appreciation Event 2023

On June 11, 2023, PodiatryCare took another opportunity to celebrate our employees and this year's event was again at the Hartford Yard Goats baseball game in downtown Hartford, CT.

Our employees and family members enjoyed a beautiful hot Sunday afternoon at the Dunkin Donuts Park in Hartford and enjoyed refreshments and food while sitting adjacent to the dugout during the game. We had another great day at the ballpark!

We appreciate and recognize the hard work that our dedicated employees give every day in order to maintain consistency in the high quality of service that we provide to our community.

We are fortunate to have an amazing staff!

Dr. Kristen Winters

5 Ways to Avoid Sunburn

The skin on your feet is just as susceptible to damage from UV rays as anywhere else on your body, but many people forget that. July is UV Safety Awareness Month and a great time to share reminders about protecting your skin from harmful exposure and sunburn. Here's what you need to know.

Podiatric Tips for Pregnancy

Expecting a baby? Congratulations! You're probably already well aware that your body is undergoing significant changes. You may not realize, however, that some of these changes can substantially impact your feet. Hormones, extra weight, and increased fluids in your body can all result in foot and ankle discomfort.

Recipe of the Month
Mint-Cucumber Tomato Sandwiches

This is a simple and straightforward idea for a very tasty and quick lunch or snack on a hot summer day.

Ingredients:

- 3 tablespoons butter, softened
- 8 slices sourdough bread or bread of your choice
- 1 large cucumber, thinly sliced
- 1 medium tomato, thinly sliced
- 1/4 teaspoon salt
- 1/8 teaspoon pepper
- 1/4 cup fresh mint leaves

Instructions:

1. Spread butter over 4 slices of bread
2. Layer with cucumber and tomatoes
3. Sprinkle with salt, pepper, and mint
4. Top with remaining bread
5. If desired, cut each sandwich into quarters

D. 155 Million*

Joke

Why do bananas use sunscreen?

*Answer:
Because they peel!*

July Fun Facts

- July was named after Roman general Julius Caesar, as it was the month he was born.
- The full moon in July is known as the 'Buck Moon'. Bucks (male deer) begin to grow their antlers at this time of year.
- Early July, historically, is called the dog days of summer because it's the beginning of the hot, humid summer days.
- The fourth of July is the only federal holiday (national holiday) in July. Independence Day is in celebration of the United States' declaration of independence from Great Britain. America's birthday. The Declaration of Independence was signed by Thomas Jefferson, John Adams, and John Hancock on July 4, 1776.
- Neil Armstrong made history on July 29, 1969, by taking the first steps on the moon. His famous declaration, "That's one small step for man, one giant leap for mankind!"
